CAREER OPPORTUNITY

**ELECTRICAL/INSTRUMENTATION
MAINTENANCE SUPERVISOR / PLANNER**

Howe Sound Pulp and Paper Limited Partnership has an immediate opening for an **E/I Maintenance Supervisor/Planner** in its Newsprint/TMP Department.

Reporting to the Maintenance Superintendent, News/TMP, the incumbent will be responsible for the supervision and direction of electrical and instrumentation maintenance personnel, including organizing, planning, and scheduling of maintenance activities within the Newsprint and TMP areas of the mill operation. Incumbent will be expected to establish, maintain and monitor departmental safety goals and objectives. In addition, the incumbent must ensure that employees are adequately trained in all safe work procedures and the use of protective equipment, and that all WorkSafe regulations are strictly applied.

This position requires strong leadership, interpersonal skills and proven successes in working within a team environment. Applicants must have a minimum of either an Electrical and/or Instrumentation T.Q. and several years experience in the pulp and paper industry. Preference will be given to applicants with advanced levels of related technical school or university education. A dual ticket in Electrical and Instrumentation trades would be a definite asset.

Please submit a resume in confidence, stating position title, as outlined below.

Closing date for this position is June 4, 2010.
